

Free Menus

for COVID-19 and Summer Meal Programs!

Join schools across the country in simplifying your COVID-19 emergency meals and summer meal programs with free USDA-compliant menus* from NutriStudents K-12, in partnership with America's dairy farm families.

**See website for details and USDA-compliance considerations.*

Summer Food Service Program Menus

- 2 weeks of hot meals and 4 weeks of cold meals.
- Include recipes, nutritional details and food production reports.
- Options for cafeteria-served, grab-and-go and delivered meals.

Seamless Summer Option Menus

- Available for K-5, 6-8, K-8, 9-12 age groups.
- Two weeks of menus for 4-day, 5-day and 7-day programs.
- Conducive to grab-and-go and meal deliveries.
- Include daily recipes and food production reports, and weekly calendar and contributions reports and HHFKA checklists.
- Conform to NSLP's weekly nutritional requirements, portion sizes and meal patterns, including vegetable subgroups.
- Can also be used as SFSP offerings.

These free menus provide just a glimpse of the support and simplicity of NutriStudents K-12.
